Section 1.03. Compliance with the Resolution. The Commission hereby finds that this Tenth Supplemental Resolution contains the provisions required by Sections 2.2, 2.3, 2.4, 2.5, 2.6 and 5.3(a)(iv) of the Resolution. All of the conditions required by Section 2.4 and 2.6 of the Resolution for the 2020 Bonds to be issued on a parity with the Outstanding Bonds have been met or will be met by the Date of Issuance.

Section 1.04. Due Regard. The Commission hereby finds that due regard has been given to the cost of the operation and maintenance of the Generation System and that it has not obligated

the District to set aside into the Bond Fund for the account of the 2020 Bonds a greater amount of the revenues and proceeds of the Generation System than, in its judgment, will be available over and above such cost of maintenance and operation.

Section 1.05. Plan and System. The District hereby specifies and adopts a plan and system for refunding the Refunded Bonds.

In connection with the foregoing plan and system, the District will apply proceeds of the 2020 Bonds to refund the Refunded Bonds in accordance with the provisions hereof, the Escrow Agreement, if any, and the 2020 Delivery Certificate.

The District may amend and modify details of the plan and system when deemed necessary or advisable in the judgment of the Commission without amending this Tenth Supplemental Resolution. Should any part or portion of the plan and system as amended and modified from time to time, be held to be invalid, it shall not affect the validity of other parts or portions thereof.

Section 1.06. Soundness of Plan and System. The Commission finds and determines that:

(a) the public interest, welfare, convenience and necessity require the District to implement the plan and system described in Section 1.05;

(b) the implementation of the plan and system described in Section 1.05 is for lawful purposes of the District and will further the purpose of supplying the District and the inhabitants thereof and any other persons, including public and private corporations, within or without its limits, with electricity for all uses and purposes;

(c) the implementation of the plan and system is economically sound; and

(d) the plan and system will contribute properly and advantageously to the conduct of the business of the District and its Generation System.

Section 1.07. Cost of Plan and System. The cost of the plan and system herein specified and adopted for the refinancing of the acquisition and construction of additions, betterments, improvements, repairs, replacements, renewals, and extensions to the Generation System, including as a part of such cost funds necessary for the payment of expenses and obligations heretofore incurred, is hereby declared, as near as may be, to be no more than \$28,000,000.

Section 1.08. Authority for this Tenth Supplemental Resolution. This Tenth Supplemental Resolution is adopted pursuant to the provisions of the laws of the State of Washington and the Resolution.

ARTICLE II AUTHORIZATION OF 2020 BONDS

Section 2.01. Authorization of the 2020 Bonds. Pursuant to the provisions of the Resolution, another Series of Bonds of the Generation System entitled to the benefit, protection and security of such provisions is hereby authorized and shall be distinguished from the Bonds of all other Series by the title, "Generation System Revenue Refunding Bonds, Series 2020" (the

“2020 Bonds”). The 2020 Bonds shall be issued in the aggregate principal amount of up to \$28,000,000, and shall be sold by negotiated sale. Notwithstanding the foregoing, the issuance of the 2020 Bonds authorized to be issued under this Tenth Supplemental Resolution shall be at the option of the District (subject to the Bond Purchase Contract referred to in Section 5.01 below), and the District shall confirm the issuance of such 2020 Bonds and the terms thereof in the 2020 Delivery Certificate. The Authorized Officers (as defined herein) may, in consultation with the District’s investment bankers, municipal advisors, general counsel and Bond Counsel, establish one or more additional series of 2020 Bonds, provided that the aggregate principal amount of all series of 2020 Bonds issued pursuant to this Tenth Supplemental Resolution does not exceed the authorized principal amount of the 2020 Bonds. The District shall authorize, direct and confirm the issuance of any such additional series of Bonds, the name and series designation of each such additional series of 2020 Bonds and the terms thereof in the 2020 Delivery Certificate.

Section 2.02. Authentication of the 2020 Bonds. The 2020 Bonds shall be issued as hereinafter provided. The Bond Registrar shall authenticate and deliver the 2020 Bonds upon receipt of all of the following:

(a) The 2020 Delivery Certificate signed by an Authorized Officer specifying (A) the Series designation and principal amounts of the 2020 Bonds, (B) the dated date and maturity dates of the 2020 Bonds to be issued, (C) the interest rates to be borne by the 2020 Bonds to be issued, (D) the amount of 2020 Bond proceeds or other funds of the District to be deposited into the Debt Service Reserve Account, if different from the amount specified in this Tenth Supplemental Resolution, (E) direction as to the deposit of the proceeds of the sale of the 2020 Bonds, (F) the optional redemption provisions and mandatory sinking fund redemption provisions of the 2020 Bonds to be issued and (G) any other additions or changes to this Tenth Supplemental Resolution and such other matters as may be deemed necessary or desirable in the opinion of the Authorized Officer executing the 2020 Delivery Certificate, after consultation with General Counsel to the District, to effect the issuance of the 2020 Bonds and further the purposes of this Tenth Supplemental Resolution;

(b) An opinion of Bond Counsel acceptable to the District and the Bond Registrar, addressed to the District, to the effect that (i) the 2020 Bonds to be issued are legal, valid and binding obligations of the District, and (ii) if any of the 2020 Bonds are issued on a tax-exempt basis, that interest on such 2020 Bonds is excluded from gross income for federal income tax purposes; and

(c) A certified copy of the Resolution and this Tenth Supplemental Resolution.

Section 2.03. Terms of the 2020 Bonds.

(a) Date, Maturities and Interest Rates of 2020 Bonds. The 2020 Bonds shall be issued in the form of fully registered bonds only, shall be dated and shall bear interest from the date of delivery, and shall mature on the dates and bear interest on the unpaid principal amount thereof at the rates set forth in the 2020 Delivery Certificate. The true interest cost the 2020 Bonds shall not exceed four percent (4.00%) per annum. The final maturity date for the 2020 Bonds shall not be later than December 1, 2050. Interest shall be computed on the basis of a 360-day year consisting of twelve (12) 30-day months.

Section 2.04. Registration, Exchange and Payments.

(a) Registrar; Books of Registry. The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, the Books of Registry for the 2020 Bonds, which shall be open to inspection by the District. The Bond Registrar is authorized, on behalf of the District, to authenticate and deliver 2020 Bonds transferred or exchanged in accordance with the provisions of such 2020 Bonds and this Tenth Supplemental Resolution and to carry out all of the Bond Registrar's powers and duties under this Tenth Supplemental Resolution.

(b) Method of Payment. The principal of and redemption premium, if any, on any 2020 Bond will be payable to the Bondowner thereof at the corporate office of the Bond Registrar. Interest on the 2020 Bonds will be payable by the Bond Registrar on each Interest Payment Date by check or draft mailed to each Bondowner as of the Record Date, at the most recent address shown on the Books of Registry; provided, however, that payment of interest to each Bondowner who owns of record \$1,000,000 or more in aggregate principal amount of 2020 Bonds may be made to such Bondowner by wire transfer to such wire address within the United States as that Bondowner may request in writing prior to the Record Date; provided, the cost of such wire transfer shall be paid by such Bondowner.

(c) Denominations; Medium of Payment. The 2020 Bonds shall be issued in fully registered form in Authorized Denominations. The 2020 Bonds shall be payable with respect to interest, principal and redemption premium, if any, in any coin or currency of the United States of America that, at the time of payment, is legal tender for the payment of public and private debts. Each 2020 Bond shall bear interest until the principal sum thereof has been paid; provided, however, that if at the maturity date of any 2020 Bond, funds are available for the payment thereof in full in accordance with the terms of Article XI of the Resolution, such 2020 Bond shall then cease to bear interest.

(d) Registered Ownership. The District and the Bond Registrar may deem and treat the Bondowner of each 2020 Bond as the absolute owner for all purposes, and neither the District nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such 2020 Bond shall be made only as described in Section 2.03(b) hereof, but such registration may be transferred as herein provided. All such payments made as described in Section 2.03(b) shall be valid and shall satisfy the liability of the District upon such 2020 Bond to the extent of the amount or amounts so paid.

(e) Book-Entry System. Except as provided in subparagraph (d) of this Section 2.03, all of the 2020 Bonds shall be registered in the name of Cede. So long as Cede is the Bondowner, payment of semi-annual interest for any 2020 Bond shall be made by transfer of same day funds to the account of Cede on the Interest Payment Date for the 2020 Bonds at the address indicated for Cede in the Books of Registry kept by the Bond Registrar.

The 2020 Bonds shall be initially issued in the form of a single fully registered bond for each series, maturity and interest rate. Upon initial issuance, the ownership of such 2020 Bonds shall be registered in the Books of Registry kept by the Bond Registrar in the name of Cede, as nominee of DTC. With respect to 2020 Bonds registered in the Books of Registry kept by the Bond Registrar in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall

have no responsibility or obligation to any Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any Participant with respect to any ownership interest in the 2020 Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC, of any notice with respect to the 2020 Bonds, including any notice of redemption, or (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC, of any amount with respect to the principal of, premium, if any, or interest on the 2020 Bonds. With respect to 2020 Bonds registered in the Books of Registry in the name of Cede, as nominee of DTC, the District and the Bond Registrar may treat as and deem DTC to be the absolute owner of each 2020 Bond for the purpose of payment of the principal of, premium, if any, and interest on such 2020 Bonds, for the purpose of giving notices of redemption and other matters with respect to such 2020 Bonds, for the purpose of registering transfers with respect to such 2020 Bonds, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and premium, if any, and interest on such 2020 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of, and premium, if any, and interest on the 2020 Bonds to the extent of the sum or sums so paid. Payments of principal may be made without requiring the surrender of such 2020 Bonds, and the District and the Bond Registrar shall not be liable for the failure of DTC or any successor thereto to indicate properly on the 2020 Bonds the payment of such principal. No person other than DTC shall receive any such 2020 Bond evidencing the obligation of the District to make payments of principal of, premium, if any, and interest on such 2020 Bonds pursuant to this Tenth Supplemental Resolution. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions hereof, the word "Cede" in this Tenth Supplemental Resolution shall refer to such new nominee of DTC.

(f) (i) DTC may determine to discontinue providing its services with respect to the 2020 Bonds at any time by giving written notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is not a successor securities depository), certificates representing the 2020 Bonds will be delivered as described in this Tenth Supplemental Resolution.

(ii) The District, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the 2020 Bonds if the District determines that: (a) DTC is unable to discharge its responsibilities with respect to the 2020 Bonds, or (b) a continuation of the requirement that all of the Outstanding 2020 Bonds be registered in the Books of Registry in the name of Cede, as nominee of DTC, is not in the best interest of the District or the Beneficial Owners of the 2020 Bonds. In the event that no securities depository is found by the District or restricted registration is no longer in effect, certificates representing the 2020 Bonds will be delivered as described in the Resolution.

(iii) Upon the termination of the services of DTC with respect to the 2020 Bonds pursuant to subsection (f)(ii)(b) hereof, or upon the discontinuance or termination of the services of DTC with respect to the 2020 Bonds pursuant to subsection (f)(i) or subsection (f)(ii)(a) hereof and for which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the District, is willing and able to undertake such functions upon reasonable and customary terms, the 2020 Bonds shall no longer

be restricted to being registered in the Books of Registry in the name of Cede as nominee of DTC, but may be registered in whatever name or names Bondowners transferring or exchanging 2020 Bonds shall designate, in accordance with the provisions of the Resolution.

(g) Notwithstanding any other provision of this Tenth Supplemental Resolution to the contrary, so long as any 2020 Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such 2020 Bond and all notices with respect to such 2020 Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations, heretofore executed.

(h) In connection with any notice or other communication to be provided to Bondowners of the 2020 Bonds pursuant to the Resolution with respect to any consent or other action to be taken by the Bondowners of the 2020 Bonds, the District or the Bond Registrar, as the case may be, shall establish a consent date for such consent or other action and give DTC notice of such date not less than 15 calendar days in advance of such date to the extent possible.

Section 2.05. Form of 2020 Bonds. The 2020 Bonds shall be in substantially the form set forth in Section 12.1 of the Resolution.

Section 2.06. Appointment of Bond Registrar. U.S. Bank National Association is hereby appointed as Trustee, Bond Registrar and Paying Agent for the 2020 Bonds.

ARTICLE III REDEMPTION PROVISIONS FOR THE 2020 BONDS

Section 3.01. Optional Redemption. The 2020 Bonds shall be subject to redemption prior to maturity at the option of the District as provided in the 2020 Delivery Certificate.

Section 3.02. Mandatory Sinking Fund Redemptions. The 2020 Bonds shall be subject to mandatory sinking fund redemptions, if any, as provided in the 2020 Delivery Certificate.

Section 3.03. Selection of 2020 Bonds to be Redeemed. Unless otherwise provided in the 2020 Delivery Certificate, if less than all of the 2020 Bonds of a series shall be called for redemption under Section 3.01 of this Tenth Supplemental Resolution, they shall be redeemed from such maturities in such order as shall be selected by the District, and by lot within any maturity subject to selection by the Bond Registrar or DTC (with respect to its participants), in such manner as the Bond Registrar or DTC (with respect to its participants) in its discretion may deem proper, in the principal amount designated to the Bond Registrar by the District or otherwise as required by this Tenth Supplemental Resolution. The portion of any 2020 Bond to be redeemed shall be an Authorized Denomination, and in selecting 2020 Bonds for redemption, each 2020 Bond shall be considered as representing that number of 2020 Bonds that is obtained by dividing the principal amount of such 2020 Bond by the minimum Authorized Denomination thereof. If for any reason the principal amount of 2020 Bonds called for redemption would result in a redemption of 2020 Bonds in an amount that is less than an Authorized Denomination, the Registrar, to the extent possible within the principal amount of 2020 Bonds to be redeemed, is hereby authorized to adjust the selection of 2020 Bonds of the same maturities for such purpose to minimize any such redemption. Notwithstanding the foregoing, while the 2020 Bonds are held by DTC as book-entry bonds, if fewer than all of the 2020 Bonds of a series and maturity are called

for redemption, the selection of the 2020 Bonds within such maturity to be redeemed shall be made by DTC in accordance with its operational procedures as then in effect.

If it is determined that a portion of the principal amount represented by any such 2020 Bond is to be called for redemption, then, upon notice of intention to redeem such portion, the Bondowner of such 2020 Bond shall surrender such 2020 Bond to the Bond Registrar for (i) payment to such Bondowner of the redemption price of the portion of principal amount called for redemption, and (ii) delivery to such Bondowner of a new 2020 Bond or 2020 Bonds at the option of the Bondowner in the aggregate principal amount of the unredeemed balance of the principal amount of such 2020 Bond. New 2020 Bonds representing the unredeemed balance of the principal amount of such 2020 Bond shall be issued to the Bondowner thereof, without charge therefor. If the Bondowner of any such 2020 Bond shall fail to present such 2020 Bond to the Bond Registrar for payment and exchange as aforesaid, such 2020 Bond nevertheless shall become due and payable on the date fixed for redemption to the extent of the portion of the principal amount called for redemption (and to that extent only).

Section 3.04. Notice of Redemption. Written notice of any redemption of 2020 Bonds shall be given by the Bond Registrar on behalf of the District by first class mail, postage prepaid, not less than 20 days nor more than 60 days before the date fixed for redemption to the registered owners of 2020 Bonds that are to be redeemed at their last addresses shown on the Books of Registry. So long as the 2020 Bonds are held in book-entry form, notice of redemption shall be given as provided in the Letter of Representations. The Bond Registrar shall provide additional notice of redemption to the MSRB at least 20 days prior to the date fixed for redemption.

The requirements of this Section shall be deemed complied with when notice is mailed, whether or not it is actually received by the Bondowner.

Each notice of redemption shall contain the following information: (i) the date fixed for redemption, (ii) the redemption price, (iii) if less than all Outstanding 2020 Bonds are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the 2020 Bonds to be redeemed, (iv) that on the date fixed for redemption the redemption price will become due and payable upon each 2020 Bond or portion called for redemption, and that interest shall cease to accrue from the date fixed for redemption, (v) that the 2020 Bonds are to be surrendered for payment at the principal office of the Bond Registrar, (vi) the CUSIP numbers of all 2020 Bonds being redeemed, (vii) the dated date, series designation and stated maturity date of the 2020 Bonds being redeemed, (viii) the date of the notice, (ix) if the redemption is a Conditional Redemption, explain the conditional nature of the optional redemption and (x) any other information needed to identify the 2020 Bonds being redeemed.

In the case of an optional redemption under Section 3.01, the notice and the notice to Bondowners may state (1) that redemption is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Bond Registrar no later than the date fixed for redemption and/or (2) that the District retains the right to rescind such notice on or prior to the date fixed for redemption (in either case, a "Conditional Redemption") and that such notice shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Any Conditional Redemption notice may be rescinded in whole or in part at any time on or prior to the date fixed for such optional redemption if the District delivers a certificate to the Registrar instructing the Bond Registrar to rescind the redemption notice. The Bond Registrar shall give prompt notice of such rescission to the affected Bondowners. Any 2020 Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default. Further, in the case of a Conditional Redemption, the failure of the District to make funds available in part or in whole on or before the date fixed for redemption shall not constitute an Event of Default, and the Bond Registrar shall give prompt notice to DTC or the affected Bondowners that the redemption did not occur and that the 2020 Bonds called for redemption and not so paid remain Outstanding.

On or before the date fixed for redemption, unless the conditions to a Conditional Redemption are not satisfied, money shall be deposited with the Bond Registrar to pay the principal of, premium, if any, and interest accrued to the date fixed for redemption on the 2020 Bonds called for redemption.

Upon the payment of the redemption price of 2020 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue, series and maturity, the 2020 Bonds being redeemed with the proceeds of such check or other transfer.

Unless the District has revoked a notice of redemption, the District shall transfer to the Bond Registrar amounts that, in addition to other money, if any, held by the Bond Registrar, will be sufficient to redeem, on the redemption date, all the 2020 Bonds to be redeemed. From the date fixed for redemption interest on each 2020 Bond to be redeemed shall cease to accrue.

The foregoing notice provisions of this Section, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

Section 3.05. Purchase at Any Time. The District reserves the right to purchase any of the 2020 Bonds, at public or private sale, at any price deemed reasonable by the District at any time.

ARTICLE IV
